(Verse)

If we genuinely love Jesus
And believe we are from Him
Then the truth is we are stronger
Than the world we're living in

For the fact that God is in us
Salvation comes from Him
Is the proof that He is greater
And the reason why we win

(Chorus)

Let the song begin ...
The One within
Who died to conquer sin
Is greater than the one who fools the world we're in
The One within
Who died to conquer sin
Is greater than the one and we belong to Him
With the Son we win!

(Bridge)

Jesus grew in wisdom
To crush the tempter's sin
And made it known
The Spirit of the Lord was upon Him
