Exodus 3:1-12 Moses and the burning bush.

One day while Moses was out watching over his family's sheep, he saw a most unusual sight! He saw a bush that was on fire but not burning up. So Moses decided to go over and see this strange sight. When he got closer, a voice from the bush started calling his name! "Moses! Moses!" He realized the voice was God's voice! Moses answered God, saying, "Here I am." God told Moses to take his shoes off because he was standing on holy ground. Then God spoke to Moses through the bush.

God told him that He had heard the cries of His people in Egypt. They lived in Egypt, but the Egyptians had made them their slaves and were

treating them very poorly. The Israelites were praying and crying out to God to help them. God told Moses He was sending him to Pharaoh to bring His people out of Egypt.

Moses got a little worried and wondered if maybe there was a younger, more powerful, and even better spoken person who could go instead. But God had a plan for Moses and He would not let Moses fail. God knew that Moses was the best guy for the job, and told him He would be with him the whole time. Moses would have God on his side when he went to ask Pharaoh to let the Israelites leave Egypt.

EXODUS 14:13-14

When God went to Moses
He spoke to him one-on-one
And said from a bush
Ever-burning the time had come
"You'll go to deliver my people
With words that are second to none"
So with signs and wonders
Equipped him to get it done
As Moses approached all the people
He knew what to say at once

Don't be afraid, stand firm and know
The Lord knew from long ago
Stand firm and wait, see how this goes
The Lord loves the ones He chose
Don't be afraid, stand firm and know
The Lord knew from long ago
Stand firm and wait, see how this goes
The Lord will fight for you
Be still and your faith will grow
And watch Him go!

Exodus 4:1-17 Moses receive signs and power.

Have you ever had doubts? Moses worried that the Israelites would not believe God had sent him to take them out of Egypt. He also worried about talking to Pharaoh as he was not a confident speaker. Moses told God about his worries and doubts, so God told Moses to take his staff and throw it on the ground. When Moses did this, the staff turned into a snake! Moses jumped and was startled! God told Moses to pick up the snake by the tail. When Moses did, the snake turned back into his staff.

Then God told Moses to put his hand inside his shirt and take it out. When Moses pulled his hand out, it was covered with a disease

called leprosy that turned his skin white. Moses was scared! God then said to put his hand back into his shirt and pull it out again, and his hand was completely healed! God told Moses to use these signs and powers when he talked to the Israelites to prove the true God sent him.

Moses still worried that he could not speak well, so he asked God to send someone else. God told Moses to take his older brother Aaron, who was a good speaker and would help Moses do the talking. God had settled all of Moses's doubts, and Moses was ready to go to Egypt and face Pharaoh!

Exodus 5:1-21 Moses and Aaron visit Pharaoh.

Moses and Aaron went to Egypt to meet with the Israelites and show them the signs. The people believed God had sent Moses! Next, they went to Pharaoh's palace. Pharaoh was the leader of the Egyptians, who did not believe that the true God of the Israelites was stronger than their gods. Pharaoh forced the Israelites to work every day as Egyptian slaves so that his own people would not have to do the hard work of building his kingdom.

But Moses and Aaron told Pharaoh that the God of Israel said, "Let my people go, so that they may hold a festival to worship me in the desert." Pharaoh laughed! He said he did not

know the Lord and would not let Israel go. Pharaoh did not believe in the power of the true God of Israel, but thought he was like a god because of his enormous power as Egypt's leader.

Pharaoh told Moses and Aaron to get back to work! He then told his Egyptian officers to make the work much harder for the Israelites, so the Israelites were upset with Moses and Aaron for making Pharaoh mad. But God's plan to free the Israelites was just getting started as He would use Moses and Aaron to bring on events that would change Pharaoh's mind about letting God's people go!

EPHESIANS 6:10-11

So the devil thinks that he can harm you
Satisfied to take you for a ride
Well here's a mighty word equipped to arm you
You'll be stronger with the Master on your side
Put the Master on your side, and the devil's
gonna hide!

Be strong, come on, there's a battle on
Look around and you will see
Be strong, come on, with the armor on
And His power will set you free
Be strong, come on, there's a battle on
Make a choice and stand with me
Be strong, come on, with the armor on
Let Him in, armor up, go for long, get your
game face on!

So the devil thinks that he can hurt you
On the run to fool you just for fun
Well here's a bit of wisdom to alert you
You'll be standing 'cause the battle has been won
Trust the battle has been won, and the devil's
day is done!

Exodus 7:14-24 Moses and the plague of blood.

Pharaoh continued to be stubborn and would not let the Israelites go. God told Moses and Aaron to get up early and go to the Nile River where Pharaoh went every morning. The Nile River was especially important to the Egyptians, who got their drinking, cooking, and bathing water from it. They needed the water for their families, their animals, and their crops. They dug canals to carry water from the river to everywhere in Egypt.

God told Moses to hold his staff, the one that turned into a snake, over the river so that the water would turn into blood. Moses told Pharaoh that since he did not listen to God's message, he would prove God had sent

him by striking the river with his staff and changing it into blood. While Pharaoh was watching, Moses tapped the Nile with his staff and immediately the water turned into red blood!

Every ounce of water in all the streams, lakes, ponds, and puddles of Egypt turned into blood. Even the water inside buckets turned into blood! The blood also became stinky, so the Egyptians desperately dug holes in the ground to get clean water. When Pharaoh saw what had happened, he went into his palace. He was shaken, but his heart was still hard toward Moses and Aaron, and he was not going to let his Israelite slaves go free!
